

## 1 (one) PhD Scholarship Recipient Selection Minute

### Preamble

The selection of a research fellowship position refers to the call for one (1) position for a PhD student in the scope of CTI 22/25 - Ação 5 – Energética, with the financial support of ANI - Agência Nacional de Inovação, S.A, which ran from 27th of September and 11th October 2023 with reference BI CTI 32/2023.

In accordance with FCT regulations for the allocation of Research Grants, the announcement was posted in the usual places: INEGI and Euraxess and other educational institutions. A jury was also formed, composed of the following doctorates: Dr. Carlos Fernandes (President), Dr. Pedro Marques, Prof. Dr. Jorge Seabra (Members).

### Minute of the meeting of October 20<sup>th</sup> 2023

The Principal Investigator of the project presented the curricula of the candidate to the scholarship, namely:

- Mohammad Pasandidehpoor

The candidate's evaluation was conducted in accordance with the criteria outlined in point 4 of the announcement, which specifically addressed the analysis of academic curricula and their relevance to the proposed work.

Upon careful examination of the selection criteria and the submitted documents, the jury determined that the candidate did not meet the requirements specified in criterion 4, point iii - Academic degree average grade above 15/20.

In conclusion, after a thorough review of the candidate's qualifications and in unanimous agreement, the jury regrettably found that Mohammad Pasandidehpoor does not align with the prerequisites for the current project. There were no objections raised during the evaluation process.
